

Properties of Merit 2009 Property Suggestion Form

Properties of Merit of PA, Inc. strives to improve a community's image by acknowledging residential and/or commercial properties who have consistently demonstrated their community spirit through the beautification of their property. Attractive, clean and well-maintained neighborhoods discourage negative behavior and are key components in maintaining a healthy community. Any residential and/or commercial property can be recommended for recognition, which may lead to being a POM Honoree! Please briefly describe why the property deserves merit below in the space provided.
